

GAME 1 [numbers] — no-repeat convergence: agree on the same number. turns-to-agree L1=2.9 vs L2=1.5

L1: convergence trajectory (red ★ = agreement) [no-repeat]

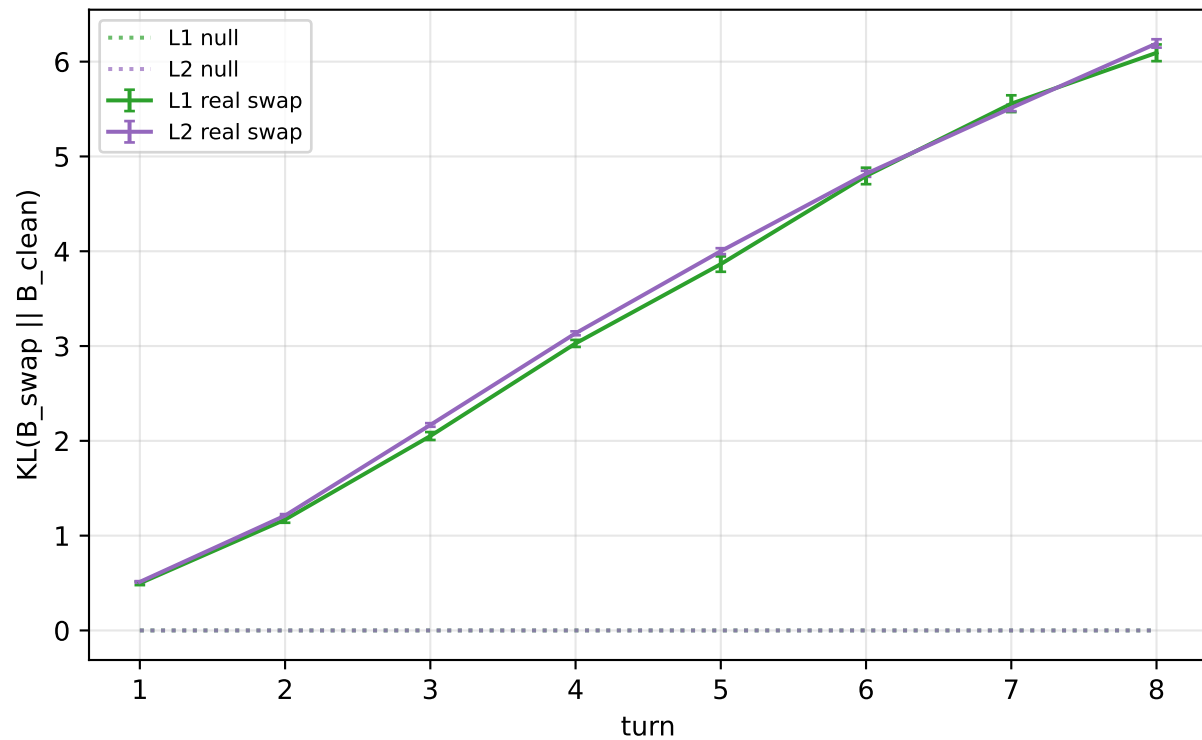

L2: convergence trajectory (red ★ = agreement) [no-repeat]

GAME 1 [numbers] — coupling instrument + coordination efficiency

Coupling over turns (counterfactual swap)

Coordination efficiency by level
